Possibilities: Any size possible

CE
EL 9206-1148

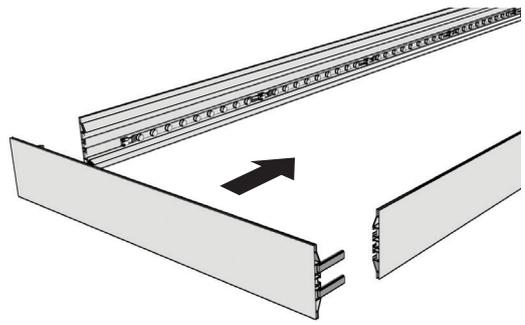

Create eye-catching hanging LED-illuminated banners and displays that are perfect in any showroom or above any exhibition stand by using ceiling mounts. Make eye-catching displays, standing banners or exhibition walls with baseplates. Holes must be drilled in the Lightbox 160 to attach ceiling mounts or baseplates.

- Suitable for textile printing silicone strip
- Stabilizers for optimum reinforcement
- Various accessories for standing or hanging
- Disassembled flat packed transport possible, any size possible

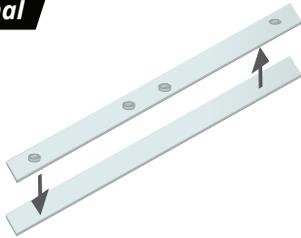

BH-1200

Each frame is delivered with 8 locksets

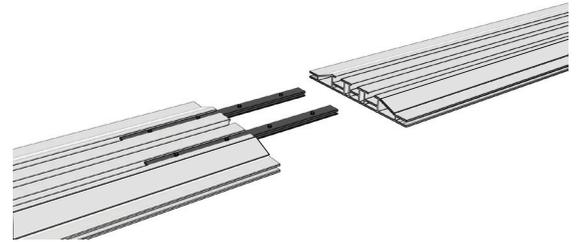

Optional

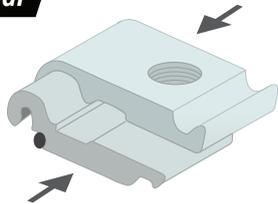

BH-0534

If the length of the frame is longer than 4 meters, an extension set (BH-0534) is included.

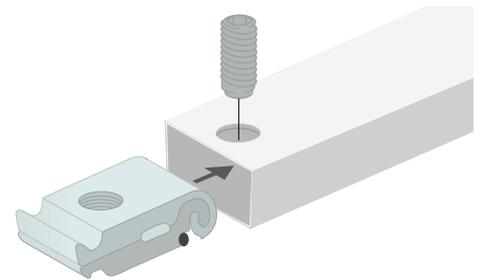

These extension sets can be placed in the channels where the frame is cut in half.

Optional

BH-0220

If the length of the frame is longer than 2 meters, a stabilizer (BFSTS) is advised.

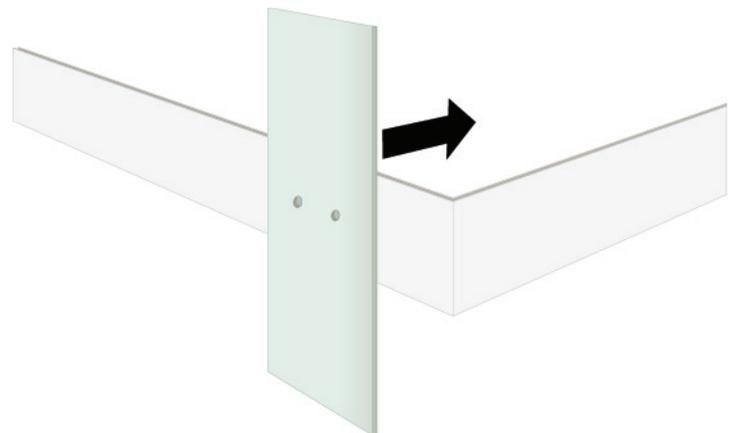

Put the stabilizer on the lockset, now tighten the screw with the delivered allen key.

Optional

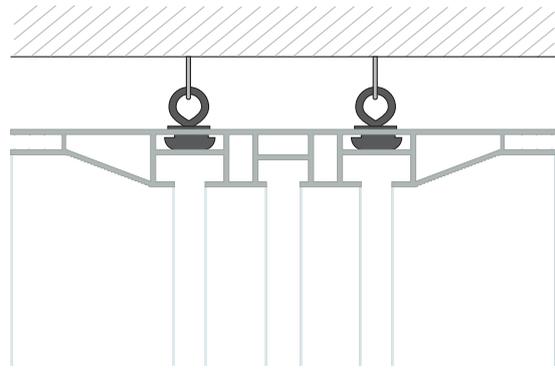

Baseplate for standing. Material: Steel

Optional

BH-0360
Suspended from ceiling.

Place the textile print in the frame. Start with the corners and press the silicone strip in the channel.
